We hope everyone has survived the cold and snowy weather that has Tennesseans wanting Spring to arrive. We all know the arrival of Spring depends on the famous groundhog from Pennsylvania, Punxsutawney Phil. On February 2nd, if Punxsutawney Phil sees his shadow there will be six weeks of winter weather. However, if Mr. Phil does not see his shadow, we will have an early Spring.

Spring Fling is just around the corner!! We hope everyone has signed up to attend or will sign up soon. Our staff has been working work to make sure everyone has a great time. We are excited to have a new event at our Rally this year! We also will have guided rides, games, Rook Tournament and great entertainment!!

We have a new Webmaster and newly constructed webpage. We encourage everyone to visit the website. The email for the Website is: ewma.tn.org. If a chapter has an event, please let us know the details and the information will be put on the website.

HOPE TO SEE YOU IN JOHNSON CITY, TN. APRIL 24-26

It is February already. I hope that you are making memories with you chapter families during this cold weather. Be sure and share your photos of rides / get-together on the TN District Facebook page.

January is about History! This month has had many events, Snow, cold, a change in leadership for many offices in our country.

We have seen snowmen, snowwomen, snow families, and pets, and igloos everywhere. Hope everyone has stayed safe and warm through all of the weather changes.

Many of you may remember Virgil and Sandi Kindshe from visiting with them at our rallies and other states' rallies as they have been vendors for many years. Their son passed away on January 28, 2025 following an extended illness. Please keep Virgil and Sandi in your thoughts and prayers.

I know that everyone is itching to get on the road again, Please be safe and make sure that your CPR/FA/AED training and cards are up to date.

Ride often, ride safe, RIDE

Hope to see you at Spring Fling

Have you made your reservations and sent in your registration for Spring Fling yet? Now is the time to get that done if you haven't already. The Motel is filling up and our registrations are up. It is gearing up to be a great Spring Fling that you do not want to miss. We have new activities that are getting a lot of interest.

Have you sent in your Talent Show Application? Have you decided which song you want to do for Karaoke night? Are you going to put on a costume for Karaoke night or just sing? Now is the time to get started on all of these by sending in your applications and starting to practice. If you need help picking a song just give me a call, I will be glad to help you with that. Sign ups for karaoke will be Thursday during the day. Sound check for the Talent Show will be Friday afternoon. We are looking forward to a great Spring Fling but for it to be great we need your participation. Come on, don't let us down. We look forward to seeing you in Johnson City.

Hope you have thawed out from the beautiful winter weather. Winter is sometimes a hard season. The sun doesn't shine as much or for as long.

So, just a few funnies to hopefully enjoy.

What is the astronaut's favorite meal? Launch

I had a dream last night... I dreamt I was a muffler – and woke up exhausted!

What do frogs drink? Hot croako.

Last year I took a visual design class...and our final exam was to design a fireworks display. I passed with flying colors.

Ok this is way too much. Hope you at least smiled a little bit.

Take time to smile, phone a friend, send a text or card. Enjoy.

Stay safe friends.

Preparing your Honda Gold Wing for the riding season is an exciting process that ensures your motorcycle is in optimal condition for safe and enjoyable rides. Here's a comprehensive guide to get you started.

1. ****Inspect Fluids****: Begin by checking all fluids, including engine oil, coolant, brake fluid, and transmission fluid. Change the engine oil and oil filter if it hasn't been done recently. This is crucial for the longevity of your engine.
2. ****Battery Care****: Ensure the battery is fully charged and terminals are clean. If your Gold Wing has been sitting for a while, a trickle charger can help maintain the battery's health.
3. ****Tire Check****: Inspect tires for wear and proper inflation. Look for cracks or bulges, and ensure the tread depth is adequate. Properly inflated tires are essential for handling and safety.

4. ****Brakes Inspection****: Check brake pads and discs for wear. Test the brake fluid and replace it if it appears dirty or if it's been over two years since the last change.
5. ****Lights and Signals****: Test all lights, including headlights, taillights, and turn signals. Replace any burnt-out bulbs to ensure visibility on the road.
6. ****Chain and Cables****: Lubricate the drive chain and inspect cables for fraying or damage. Proper tension and lubrication can enhance performance and longevity.
7. ****Cleaning****: Give your Gold Wing a thorough wash to remove dirt and grime that accumulated during storage. A clean bike not only looks good but helps prevent corrosion.
8. ****Final Checks****: Before your first ride, take a short test run to identify any unusual noises or handling issues. Pay attention to how the bike feels and responds.

By following these steps, you'll be well-prepared to hit the road with confidence and enjoy the thrill of riding your Gold Wing!

Hope everyone has been enjoying the start of 2025 in the south. The weather has been ridiculous with snow, then the Artic cold and now looking like trying to be cute with spring like conditions. With not knowing what to really expect from Mother Nature next, we all should be prepared if out riding. The best thing to do is dress in layers and have clothing for any weather conditions that could occur. Also, the roads can still be unpredictable, especially in the higher elevations. Everyone be careful and have fun.

Valentine's
Day**
