Hello Everyone

Spring Fling is right here on us, we hope everyone is registered, it should be a great rally. We are so ready for warm weather where we can ride. Our year started off bad with the passing of Vickie's Dad Chuck. He had dementia for several years, it was really hard to see him with this disease. He was the kind of man that would give you the shirt off of his back, Vickie and the family would like to thank everyone for the cards and calls during this time. Then my mother spent a month in rehab and a few days in the hospital, she is home now with Alive Hospice. She has dementia and she can stand up and walk on her own. We have always said that family comes first, we have turned it over to the Lord as he knows best. Again, thanks for everything we will make it this.

We did sign up a new member this past month and he real excited about Eagle Wings it really is fun when we get new folks, he is thinking about Spring Fling depending on work.

Be sure and check your membership due dates and get paid up.

*We hope to see you at Spring Fling!!
Take Care and Ride SAFE IN 2025*

It is **MARCH!** We are ready to see if it comes in like a Lion or a Lamb :) But either way it is time to start visiting our sister chapters and getting ready for a little friendly chapter competition at Spring Fling. Heads up....Chapter O has changed meeting locations to The Juicy Seafood 138 Paul Huff Parkway NW Cleveland, TN 37312 and it might be a great time to check out this new location.

West TN Assistant District Director & American Heart First Aid Coordinator

Hello!!

What a beautiful last day of February!!! If this doesn't make you want to go for a ride nothing will.

That brings on talk about bike readiness, rider readiness, and safety. Please check all your emergency equipment such as first aid kit, helmets gloves, etc. Make sure that you have fresh bandages, gloves, flashlight and batteries as well as, if available, an AED with batteries and pads checked. Hope you never need any of these things, but it's great to have if you do. If your chapter does not have an AED, please consider acquiring one.

We also would like to encourage everyone to make sure that your CPR cards are up to date and if not try to schedule a class soon. We will be offering a CPR / AED / First aid class at Spring Fling in Johnson City. If you are interested in a class, please let us know. We are looking forward to seeing everyone soon.

Can you believe Spring Fling is next month?

Have you made your reservations and sent in your registration for Spring Fling yet? Now is the time to get that done if you haven't already. It is gearing up to be a great Spring Fling that you do not want to miss. We have new activities that are getting a lot of interest.

Have you sent in your Talent Show Application? Just send them to me as soon as you can. I must get paperwork together for the judges. Have you decided which song you want to do for Karaoke night? Are you going to put on a costume for Karaoke night or just sing? I know some of you practiced on the Wingers and Waves cruise. Now is the time to get started on all of these by sending in your applications and starting to practice. If you need help picking a song just give me a call, I will be glad to help you with that.

Sign ups for karaoke will be Thursday during the day. Sound check for the Talent Show will be Friday afternoon. We are looking forward to a great Spring Fling but for it to be great we need your participation. Come on, don't let us down. We look forward to seeing you in Johnson City.

The weather has been so nice since the cold spell. There are motorcycles everywhere. It seems like Spring fever has come out in full force. The sunshine always helps too! Spring will be here in just a couple of weeks. Does that mean we will see more snow? Anything is possible, but better weather will be more often than bad weather. That's the official forecast. LOL

I can't wait to be able to ride again. I could use some wind therapy. I'm sure I not alone! Make sure you invite someone to go riding with you. We all can find someplace that we like to eat.

Spring Fling is almost here. Be sure to invite all your friends. We always have a good time.

Be safe.

Steve and Karen Thomas

Ride Coordinator

There's nothing quite like the feeling of hitting the open road with my motorcycle. It's not just a machine; it's an extension of me, a partner in adventure, and a constant source of freedom. The roar of the engine, the wind rushing past, and the rhythmic hum of the tires against the asphalt—it all comes together in perfect harmony, creating a feeling that only riders truly understand.

My motorcycle isn't just a mode of transport; it's my escape, my therapy, and sometimes even my best friend. There are days when I just need to clear my head, and nothing does that better than twisting the throttle and letting the world blur past. Whether it's a quick ride around town or a long journey down an open highway, every ride has its own story, its own sense of purpose.

I still remember the first time I rode. It was a mix of excitement and nerves, that first twist of the throttle sending a rush of adrenaline through me. Over time, riding became second nature. I learned to anticipate the curves, feel the road beneath me, and connect

with my machine in a way that can't really be explained—only experienced.

Every ride is different. Some days, it's about speed, pushing the limits and feeling the surge of power beneath me. Other times, it's about the journey—cruising along winding roads, soaking in the scenery, and enjoying the peace that comes with being alone on the road. There's a certain serenity in those moments, just me, my bike, and the endless stretch of highway ahead.

Of course, riding isn't just about freedom and adventure. It comes with responsibility. Safety is always on my mind—proper gear, checking the bike before every ride, and staying aware of my surroundings. There's a certain respect between riders, an unspoken understanding that we look out for one another. The wave between bikers as we pass on the road is more than just a gesture; it's a reminder that we're part of something bigger.

Some of my best memories are tied to my motorcycle. The spontaneous road trips, the early morning rides before the world wakes up, the nights spent under the stars after a long day of riding—all of it adds up to a life that feels fuller, more vibrant. It's not just about getting from one place to another; it's about the experience, the moments in between, and the sense of being truly alive.

No matter what's going on in life, I know my motorcycle will always be there. It doesn't judge, it doesn't complain—it just goes where I take it, giving me a sense of control and freedom that's hard to find elsewhere. Riding isn't just a hobby for me; it's a way of life. And as long as there are roads to explore and miles to ride, my motorcycle and I will keep chasing the horizon, one journey at a time.

Tennessee District Spring Fling, April 24 -26, will soon be here. Hope everyone is making plans to be in Johnson City, TN for riding, fun and fellowship.

There will be two Safety Presentations consisting of Riding in the Rain and 2-VS-3.

With our weather being a roller coaster of snow one week and then 70 degrees the next, everyone still needs to be prepared to have the correct riding gear when out riding.
